Worthy Pack Leader Barkings!

Woof Woof to all of our North Carolina Pack Devil Dogs!

So last year, I auditioned for, and was asked, to be one of the stunt doubles for Hugh Jackman in his latest Wolverine movie titled "Logan". I couldn't pass up this opportunity so I immediately started growing a beard and my hair out to prep for this awesome experience! As you can see, I nailed it! Hugh and the Director of the movie loved it and plan to use me in future movies! There are a couple of scenes in the movie where you can actually see my face and not Hugh's! You **HAVE** to check the movie out!!!

Our 25th Grand Growl is just two months away! It's crazy to know that this year has flown by so quickly! Be prepared to have a **GREAT** time at it! Make sure that you register with the Department Convention first, then with the Dogs. In order to attend the Grand Growl, you need to have registered for both events; **no exceptions!**

This will be my last article to you as your Worthy Pack Leader. As I stated at the Winter Pack Growl, I will not be running for re-election. I believe that the upcoming WPL and administration will do a superb job of leading our Pack forward! I have certainly appreciated the **honor** to have been your Worthy Pack Leader and will continue to support our Pack as much as I can!

Remember that your Pack Officers are here when you need them. Feel free to contact any one of us if you have questions or need assistance. That's what we are here for!

Until we meet again in Growl assembled, remember to always **"keep 'em wagging!"**

Woof Woof Dogs of the Pack,

For those of you who's Dog houses were snowed in and couldn't make it to the Winter Growl in Salisbury, let me assure you that you were missed, we did have 18 Dog's in attendance and had a Howling good time! Let's hear a big "Woof Woof!" for our newest DD Keith Shearin from the Jesse O. Price Pound #210 who was advanced at the Winter Growl!

I hope all is well with you and your dog houses, now that the white fluffy stuff is gone (no I'm not talking about the Poodle next door!) and you are able to get out and move about without freezing your paws off. We need to continue to bark at all of the Dogs in our Pounds that are delinquent in their dues to make sure they get them paid up prior to the Grand Growl on the 2nd of June. It might not be a bad idea to start collecting your dues for the 2017-2018 year as they will be coming due by the 31st of August 2017. As of 14 March 2017, our

Pack's total membership is **189**. We have **55** paid life Dogs, **121** regular paid Dogs and **13** delinquent Dogs. From the Pack roster of 18 March 2016 our Pack total membership was **177**. We had **55** PLD, **106** RPD and **16** DEL. We are gaining in recruiting and we still need some work on retention.

I'm looking forward to seeing all of the Pounds and wagging Dog tails at the very special upcoming 25th Anniversary Grand Growl of the Pack that will be held during the Department Convention in Durham on the 2nd and 3rd of June, 2017 at the Double Tree by Hilton.

Keep in mind that if your Pound Growls are fun, the Dogs will come! As always, while you're at one of those boring Detachment meetings, be sure to sniff around for those Mongrels that are looking to run with the Big Dogs and have some well deserved and earned fun and who are worthy of the title Devil Dog and get them initiated into your Pound!

Semper Woofing,

Woof Woof from the Porch of the Junior Vice Pack Leader, where I am surrounded by oodles of Schnoodles and one puppy-cat. Of course, that may explain my less than stellar luck, since Magic is a black cat and saunters across my path often. In fact, she has commandeered my captain's chair and won't scootch.

For those of us who attended Kennel Growl during Mid-Winter Conference, much fun was had with Dogs of all Degrees from all sorts of states. Some of our Dogs were overheard barking about how rewarding it was to frolic with so many other dogs, especially so many from NC Pack. Well done.

By now, all y'all dogs should be rarin' to go for the impending 25th Anniversary NC Pack Growl. As Pound Keeper for Pound #370, this Pedigreed Devil Dog is proud to report that our Dogs have lead the charge to subsidize the cost of purchasing special challenge coins that will be issued to all bonafide dogs who attend the anniversary growl...no cost to each dog! Pound #210 was close on our hind-quarters to do the same. We will be barking out for some motivated Dogs to assist on Friday June 2nd with registration table.

Spring is sprung, and we're off to a woofing start toward Supreme Growl. Pound #370 has a highly-dedicated, highly-motivated Devil Dog already registered and aspiring to obtain Pedigreed status in our order. Get your advancement papers in early and often, to avoid the summer rush. Don't let DD Jerry Brown go it alone out in Kansas. Speaking of which (speak boy), let's get as many bones in to the Kennel Dog Robber as possible to present a hefty check to the children's hospital this year. Rumor has it that one of our Pounds in NC Pack is right on the heels of 2 Maryland Pack (that's "Merlin"Pack), which means that Mideast Division dogs are in contention to kick some dog butt compared to rest of the kennel. Throw in some bones and put NC Pack on top!

Worthy Jr. Vice Jauntings—Page 2 of 2

Some of us dogs don't spend many conventional bones, so we don't get too many spare change bones back to fill the jar. This dog is going to throw in a doggone humongous bone (100 big bones worth) during our next Pound Growl.

Speaking of bones, our local engraving store told me yesterday that the bone gavel that I brought in to be engraved was the most bizarre item that anyone has ever brought in. Of course this dog didn't reveal the secrets behind the bone, but suffice to say that intrigue follows. Worthy Jr. Vice Pack Leader...Out.

I hope that you are all enjoying this great weather and are having many opportunities to get outside and chase cats and cars! It's great exercise from being stuck in our dog houses during the colder months. The upcoming 25th Grand Growl is quickly approaching. I look forward to seeing all of you there to enjoy the camaraderie and the "FUN" that goes along with being a Devil Dog!

Worthy "Seeing Eye" Dog's Blog

Woof Woof Dogs of The Order,

With the Grand Growl only 1.7 Dog Years away, it is time to schedule a trip to the Vet for grooming and making sure you are up to date on your shots. We do not want photos of sick dogs showing up on the website. Any case of mange or a flea infestation will be dealt with by the Police Dog and documented by the Seeing Eye Dog. Any Dog found to not be house broken will have to be outfitted with a shock collar for remedial training purposes and to keep the Pack in good standing with the owners of the facility. Be on your best behavior and smile for the Seeing Eye Dog as I will be roaming the area looking for the most embarrassing moments I can document. Remember to keep the fun in this, the Fun and Honor Society of the Marine Corps League.

Worthy Dog Trainer Testimony

Woof Woof Devil Dogs!

I hope that you are all doing well, sniffing and watering all the flowers that are already starting to bloom everywhere. Since the last Woof-O-Gram, our 50th Chief Devil Dog has gone to be with the Supreme Commandant. As I am sure yours are, my memories of George are fond and numerous. He was a great man. I always admired the way he would tell you exactly what he thought about anything; something I try to do every day. Our relationship grew over the years. It started rocky, he did not seem to care for this new bitch who suddenly appeared! As time went on, he realized I was a good dog. Every time he saw me, he would greet me and say good bye with a hug and huge smile. We had so many great conversations about just about everything.

I will never forgot our ongoing battle about how to say Camp LeJeune. No matter how many times we discussed the pronunciation, I would always end the conversation with "no matter what George-for four years they told me I lived at Camp "luh-JUNE" and that is how I will always say it!!!" Eventually, he would just shake his head and laugh. He once gave me a pen that said "It's Luh -JERN Marine!" He told me he was giving it to me personally because he wanted to make sure I got one. I smiled at him, and said "Aww George-a Camp Luh-JUNE pen! You're sooooo sweet! Thank you!" and gave him a hug. He roared with laughter! He will be missed by all. May your fondest memories of George bring a smile to your face and peace to your heart.

I hope that everyone who is struggling with health and personal challenges remembers to take it one day at a time and know that your Dog buddies are keeping you in our thoughts and prayers. I hope that life will take a turn for the better for you very soon. Hopefully this frigid weather (30 degrees as I scratch this) will be gone by the time you read this and it will be a beautiful 75 degree sunny day. Happy Spring to you all! I hope you will make time to get out and get some fresh air and enjoy the beauty emerging all around us. May you find many trees and fire hydrants to visit on the way!

Worthy Mad Dog Mayhem

Woof Woof!

This is.. I am...your Mad Dog! Bull Durham Jr.

When I look around, I notice someone has been flipping my calendar forward faster than I can count! The last time I checked it was early part of January 2017, and now I'm told by our Worthy Pack Leader, it's March already ... this makes me MAD!

Mad, because we are one quarter into the New Year and my nose tells me you have not solicited those worthy members of your Detachment to join our ranks! I need your help because I get "MAD" as a Dog when we are not having fun! Shake those out-houses, shake the closets, shake the trees, go around to those fire departments, whatever you need to do and let's make 2017 a banner North Carolina Pack year of recruitment!

Finally, my fellow four-legged-Paw'ers, I request that you make me work during our 25th anniversary in Raleigh by providing a lot of mongrels ...this makes me Happy!!!

Our 50th Chief, aka George, would have it no other way!

Worthy Dog Robber Remark\$

Woof Woof Devil Dogs! The main job of all of the Dog Robbers is to see that the Dues are received, and sent in to Kennel, in a timely manner. It's always good to have "New PUP" kits available at the Growls, along with other MODD gear that all Dogs just can't live without; like cover patches, shirt patches, etc. You should also make sure that Devil Dog (Red!) collars for advancement are available for PUP's getting ready to advance to Devil Dog at an upcoming Pack Grand Growl. The bones collected from the Passports stamps also need to be sent into Kennel, in a timely manner, to ensure the largest donation check possible can be presented to the children's hospital of choice at the Supreme Growl! Let's all do our part to make our Pound Growls the best that they can be!

Woof Woof Devils Dogs!

As I sit here getting over the 'bugs' that I caught going from the Winter to the Spring transition, I wonder how many of our other Dogs are feeling the same way? It's that way every year with our typical North Carolina weather; always changing every 20 minutes, BUT..... I wouldn't change it for the world! This is what makes the North Carolina Pack who we are! Die hard Dogs through and through! We will always get through whatever challenge we have in front of us! I so look forward to our upcoming 25th Anniversary Grand Growl. The fun, camaraderie and reflection of our past 25 years are the theme. I hope that every Dog in our Pack can attend this special event and enjoy the "esprit de Corps" that can be rivaled by no other organization! Se you all there!

Worthy Barking Dog's Bay & Web Scratcher Update

Woof-Woof!

I've been super busy with school and work, but I have not forgotten to add some input for the WOG, so I'll keep it short and sweet as my time is limited right now. "Your mind is a powerful thing. When you fill it with positive thoughts, your life will start to change for the better, and that positive vibe is contagious and will rub off on others."

Don't get settled in old fashioned ways or hold a grudge. Remember why you joined the Marine Corps League and the Military Order of the Devil Dogs. We are all Marines, even our FMF Corpsmen. Let's come together to make our short time on this earth being spent together in the Brotherhood way that we will cherish forever and make our unbreakable bond 10 times stronger. Not sure on how to get more involved? Start by getting more members of your Detachment interested in joining our great fun and honor society.

Cheers form Switzerland,

Barking Dog DD Rice!

Woof Woof to all Dogs, Pups, Mongrels and whatever else we have in our menagerie!

During this past year, I have been busy trying to upgrade my qualifications to be your veterinarian. Some might say I have succeeded; others, well, they have their opinion. Now, a year later, I have progressed to the point where I can give two handed examinations (gloved of course) instead of just one. However, the Pack seems to be very healthy because to date, I have had no requests for either a single or double handed exam. Personally, I hope all continue in good health for the coming MODD season. In the event some issues may arise, please remember that I have two large syringes through which I can administer various elixirs that may help with your situation. I say "may help" because everyone should understand that MODD Veterinarians "practice" medicine like all others in similar fields, therefore meaning we haven't reached perfection as yet. We will, however, keep practicing and hope we get better!

Woof Woof!!

So here I sit, sad, lonely, and my mailbox has cobwebs. Why? Because you Dogs didn't read my last article and react to it..... I politely asked for lists of Pound Keepers (nope didn't get any), Dogs of the Quarter (nope, none of those), newsletters (I must have been in the catnip again...).

OK, here I go again! **HEY POUND KEEPERS!! WAKE UP!!!** Get some of your longer length of membership dogs, sit down and start putting your history together. Create a Past Pound Keepers Roll (with pictures would be fantastic!), create a Dog of the Quarter if you did that or a Dog of the Year.

Ask your membership if they have any older convention booklets because the ads can be a good source of information. Send these to me so I can copy them and I will reimburse postage and return them if the owner wants them back. Ask the membership if they have any older MCL magazines because these sometimes lead to good information. Same deal, I will reimburse postage unless the owner wants to donate them to the Historian.

We need to get our Pound histories built as we venture into our 25th year of Pack existence. It would be so cool if we knew what the 3 Pounds were that were operating when our Pack came to be twenty five years ago but so far, that information eludes us. That is why we need to build our histories, so future historians and Pack Leaders will know where we came from. If we don't know our Pedigree, we might as well be MUTTS!

So c'mon, let's get busy, create your Pound Histories and send them to me please. Open up those old boxes, filing cabinets, foot lockers, briefcases, or whatever and get all those old bulletins, booklets and magazines and send them to me. Once I get them, I can get busy. Let me know if you want them back.

Happenings Around the Pack!

Our very own PDD Jeffrey Jones (Past Worthy Pack Leader and current Honorable Smart Dog), along with PDD Rick Thomason (far left) and PDD Steve Tracy (far right), volunteered their time on Friday, 11/25/16, and Saturday, 11/26/16, to build our very own PCDD George Barrow's a ramp for his dog house! This is truly taking care of "our own" during the 2016 Thanksgiving weekend where we all spend time with our family litters! A great big "WOOF WOOF!" to these three Devil Dogs for putting their personal lives aside to come to the aide of a fellow Devil Dog!

Read the comments from our Past Chief's and current Chief Devil Dog about this great gesture of Devil Dog support on the next page!

Woof Woof Chief & Past Chief's,

"Just would like to give you all an update on PCDD Barrows. I finished the ramp at his house today. I hope it will allow him to get out and regain his strength. He is very frail. He is on constant oxygen and must use a walker to move around."

PDD J.D. Jones

PDD Jones:

"Would expect nothing less of a Pedigree Devil Dog. That's what we're supposed to be all about; one ol' Dog helping another. Great job!!"

PDD Sutton, PCDD

PDD Jones,

"Great job! Chief Sutton is right; we need to take care of our own. You are setting a great example that we should all follow!"

As I said before, these pictures and story need to go in the Woof-O-Gram (send to Otter with names of all in the pictures) and should also be submitted to the Semper Fi Magazine. Please thank the other Dogs who assisted with the project."
